COLLECTIONS

The offer of Ama Luxury Shower includes a range of products for the most sophisticated environments: indoor, outdoor and wellness areas.

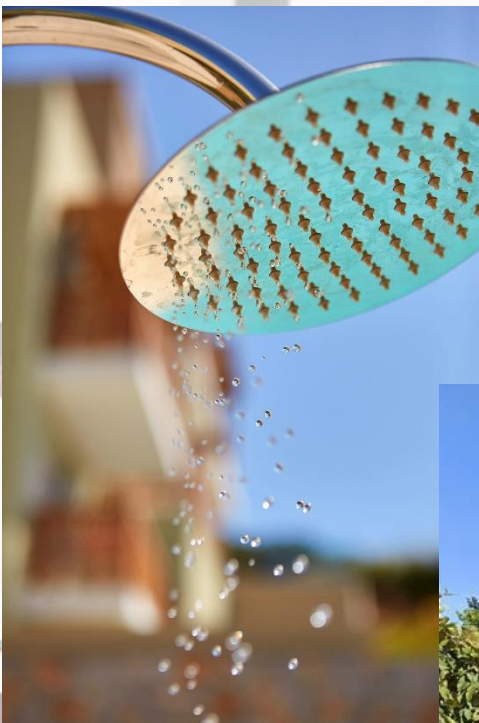

For the creation of its products Ama uses only stainless steel AISI 316L: unique material in terms of resistance against weather, corrosion and rust over time.

WELLNESS

OUTDOOR

AMA showers exhibit the full **beauty** of their **shape** and maximum **technical potential** in outdoor areas. They are designed, constructed and tested to deal with all weather conditions and types of use, and are **made of anti-corrosion material** and come with a three-year guarantee that covers all components.

Private customers, tourist establishments, swimming pools and beach service providers can make their premises stylish with AMA's wide range of **outdoor showers** that have a **minimalist, sharp, sleek design**.

INDOOR

The **design features** that have always characterised products made by AMA Luxury Shower quickly led to requests for AMA showers for indoor areas.

The experience acquired in designing and producing outdoor showers for private customers and beach service providers was therefore applied to a **sleek, high-quality line** of indoor showers and accessories, which are appreciated by architects and designers because they **enhance bathroom areas** in private residences and luxury accommodation.

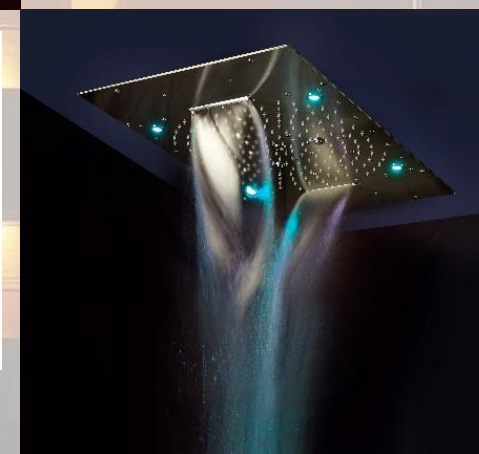

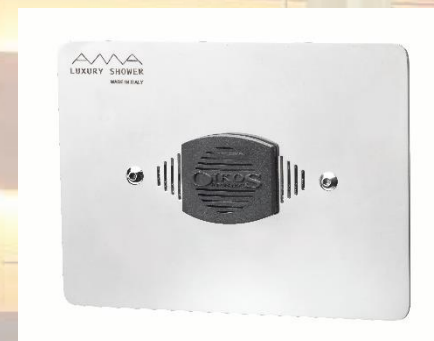

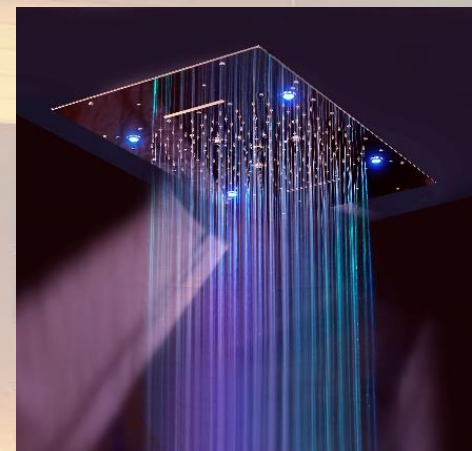

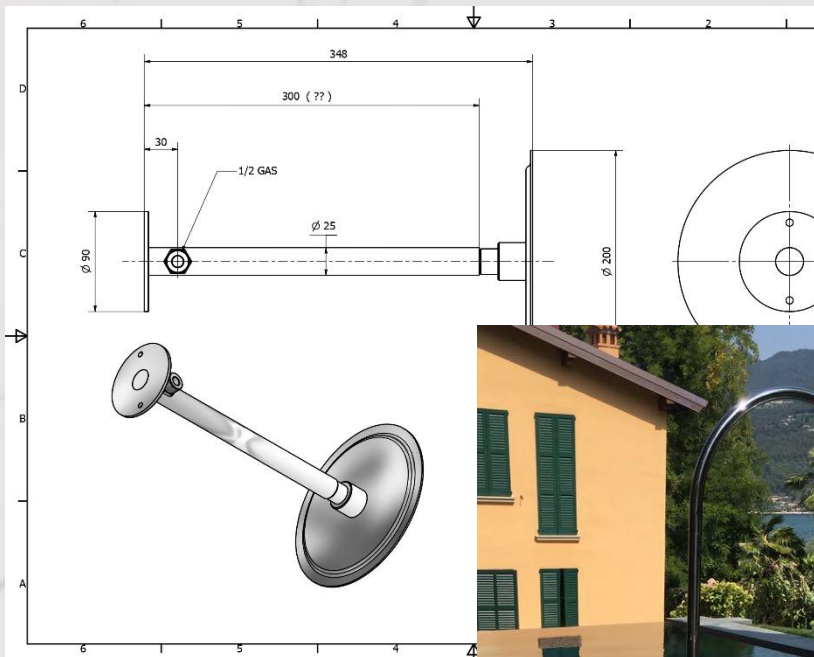

WELLNESS

This industry has been a welcome technical challenge for AMA Luxury Shower and an opportunity to strengthen the company's market position at the high end of the sanitaryware sector.

Designing and manufacturing **showerheads for SPA and wellness environments** completely in Italy meant acquiring the know-how for the **management of all electronic components**, in order to offer customized wellness solutions complete with the necessary **accessories** such as **chromotherapy, aromatherapy, music**.

This service is also possible due to ongoing relationships with reliable accredited suppliers who have contributed to expanding the AMA Luxury Shower range of products and functions.

CUSTOM SHOWERS

Managing the entire **production chain** and possessing the **technical expertise** resulting from 20 years of experience in sanitaryware has enabled AMA Luxury Shower to offer bespoke products from the start.

AMA is therefore in a position to offer its customers unique items in small or large batches.

The **customization** offered is **complete, in terms of aesthetics**, to adapt to the most diverse surrounding needs, in terms of **dimensions and materials used, and functionality**, with devices for water and energy saving or with the use of photocells or timers when required.
